Flight training is a game-changer, but the high costs can put it out of reach for many aspiring young pilots. Since 2013, RTH has been breaking down those barriers, providing over 8,000 youth with experiences in aviation, providing over 1500 discovery flights, and investing over \$900,000 in flight training and scholarships. Make a donation and join us at FTA 2024 to help us continue to open the doors of opportunity for youth in aviation.
